778 Banshee Squadron, Royal Canadian Air Cadets

Dear Parent(s),

Thank you for your enquiry regarding the Royal Canadian Air Cadet organization.

This year's new recruit intake will be held on **Tuesday September 15th** and **Thursday October 1st 2009** at Richmond Green High School located on Leslie Avenue - north of Elgin Mills. The briefing will be held in the Cafeteria at 1930hrs (7:30pm).

The regular training for your son/daughter will commence on Thursday October 8, 2009 at Richmond Green High School.

Air cadets strive to teach youth about good citizenship and leadership, along with respect for their country, each other and themselves. We encourage a practical interest in aeronautics and assist those intending to pursue a career in the field of aviation.

During the summer holidays, we have numerous summer courses covering many aspects of leadership, physical fitness, aviation and flying. However, there is a limited amount of space for each course so we must nominate the keenest of our Cadets to attend the courses. Course selections are also made by cadets' seniority.

778 Banshee Squadron was formed in January 1969 under the sponsorship of the Royal Canadian Legion, Richmond Hill branch. The Legion introduced the Royal Canadian Air Cadets into Richmond Hill to perpetuate the ideals for which they fought during the last world war, and the memory of so many who never came back home.

We would be delighted to have your son/daughter join our squadron this year.

Thank you for your interest.
